Notice of Hangar Inspection

Dear Airport Tenant:

On August 20, 2016, the Torrance Fire Department will begin conducting the annual mandatory hangar inspections, which will continue through June 30, 2017. This annual cycle will now be concurrent with the City's fiscal year, from July 1 to June 30 each year.

It is a requirement of your rental agreement, and also the City ordinance, that your hangar be inspected annually. The inspections are general in nature and aimed at basic fire prevention techniques and safety precautions.

Please see the attached schedule for the date and time when your hangar inspection will take place. **In addition to the attached schedule, tenants may also schedule appointments anytime during the week, including Saturdays.** This new service is being offered throughout the year to allow tenants to achieve compliance with the Torrance Fire Department's inspections.

If you are unable to be at your hangar during the date and time listed, please contact the Torrance Fire Department at (310) 618-2973 to schedule an appointment.

If you have any questions or concerns related to this inspection, please feel free to contact me at 310-784-7909. The inspection will only take a few minutes. I greatly appreciate your help with completing this process in a quick and efficient manner.

The inspection schedule can be viewed at www.TorranceCA.gov/Airport.

Thank you in advance for all your cooperation!

Sincerely,

Rafael Herrera

Airport Business Manager, Torrance Municipal Airport
