

# RESIDENTIAL STREET REHABILITATION, I-94 (AREA C)

CITY OF TORRANCE

## Notice of Final Paving

Dear Homeowner/Resident:

This Notice is to advise you that we will be grinding and paving the streets of **Southbound Sartori Avenue and Engracia Avenue (west of Sartori Avenue)** on **Wednesday, October 8th and through Monday, October 13th**. The normal work hours are from 8:00 a.m. to 4:00 p.m., weekdays only.

### ACCESS AND PARKING:

Temporary No Parking signs will be posted at least 48 hours in advance of the work. Please obey the signs or your vehicle may be towed.

- During the working hours, all vehicles will be restricted from parking in the construction area and the road will be closed to through traffic. You may be restricted from entering/exiting your driveway. At the end of the day, construction areas will be accessible.
- If you intend to use your vehicle during the work hours, please park your vehicle outside of the construction area. Please contact the City if you need assistance in locating an alternate parking area.
- To help with the impact to parking:
  - ◆ Approximately 400 feet on the south side of Dominguez Way east of Madrid Avenue has been signed to allow for Temporary Parking during this construction project.
  - ◆ Parking restriction signs on the north side of Torrance Blvd. between Cota Avenue and Engracia Avenue have been covered and are temporarily lifted. The covers will be removed from the signs and the restrictions will be reinstated when this phase of construction is complete.

### SPRINKLERS

During the roadway paving process, beginning on Thursday, October 9th, we ask that you do not use your sprinkler system and/or not water your lawn. Any water that drains into the construction area can damage the new pavement.

**If you have any questions about the work, please contact the City's Project Engineer. We thank you in advance for your cooperation in assisting us in the successful completion of this phase of the project.**

Please see an additional Public Awareness Notice on the back.

CITY OF TORRANCE

## PUBLIC AWARENESS NOTICE

This Notice is to raise public awareness of individuals currently impersonating and/or falsely identifying themselves as City of Torrance employees and/or construction workers for the City's construction project to repair sidewalks in North Torrance. These individuals may have been wearing a colored construction vest and hardhat. We believe these individuals have intentions of attempting to gain access to your private property and/or your home.

**Be advised that City of Torrance employees and legitimate construction workers WILL NEVER request access to your home or backyard for this project. Our work area is restricted to the public right-of-way in front of your home. If you are approached by any individuals (male or female) wearing a colored construction vest, and asking to enter your home or property, DO NOT allow them access.**

City of Torrance employees will always be wearing a colored construction vest and have a City identification badge and business card. Our employees will always identify themselves so that you may view their identification badge and obtain a business card. The only City employees assigned to this project are Lauren Sablan and Elizabeth Overstreet. We also have hired a contract inspector named Ron Brahs from Onward Engineering.

**If anyone other than these 3 persons approaches you and asks for access to your home or property, please dial 911 immediately. This is part of the City's "See Something, Say Something" efforts to keep our neighborhoods safe. Thank you.**
