**PROPOSAL, SPECIFICATIONS, BOND AND
AFFIDAVIT FOR THE CONSTRUCTION
OF
CITYWIDE SIDEWALK RAMPING AND GRINDING PROGRAM, I-152 (FY2015-16)
B2016-25**

Note the following changes and/or additions to the Specifications for the project indicated above. The bidder shall execute the Certification at the end of this addendum, and shall **attach all pages of this addendum to the Contract Documents submitted with the Bid**. In addition, the bidder shall complete and submit the "Acknowledgment of Addenda Received" Form provided in Section C of the Specifications.

1. Refer to SECTION E SPECIAL PROVISIONS:

Add a new section as follows:

303-13 RAMPING AND GRINDING IN CITY PARKS

303-13.1 –General. The City maintains 33 parks totaling to 275.39 acres in area. The City also maintains other non-park recreation facilities such as the Bartlett/Historical Center, the Attic Teen Center, the Southeast Library, the Civic Center Complex, and several other recreation facilities. This section will address asphalt ramping and concrete grinding of concrete pedestrian walkways in City parks and recreational facilities.

Ramping and grinding shall be performed in City parks and recreational facilities in a manner conforming to these Special Provisions. Ramping and grinding shall be performed on a bi-monthly basis (every other month) during the term of this contract. Locations to be ramped or ground will be marked by City Park Services personnel with quantities of at least 150 lineal feet of grinding and 15 square feet of ramping in a single bi-monthly work order.

Concrete sidewalk displacements from one half inch (1/2") to one and one half inches (1-1/2") shall be ground per Section 303-8 of these Special Provisions. Displacements greater than one and one half inches (1 1/2"), shall be ramped with asphalt concrete in conformance with Section 303-9 of these Special Provisions with the exception that ramps in parks shall not exceed 5% slope.

Contractor shall note that locations within the parks and recreational facilities may not be accessible by typical construction vehicles. Hand trucks or carts may be required to access the ramping and/or grinding locations.

303-13.2 Payment for Grinding in City Parks. Payment for all materials, labor and equipment necessary to grind and finish the concrete in City Parks and recreational facilities, as described herein, shall be made at the unit bid price per lineal foot, regardless of the height of the grind.

303-13.3 Payment for Ramping in City Parks. Payment for all materials, labor and equipment necessary to construct AC ramps, as described herein, shall be made at the unit bid price per square foot, and shall include application of weed killer and cement coating.

2. **Refer to Bidder's Submittal on pages C-1 of the Specifications and in the official Bidder's Submittal package provided by the City Clerk:**

Bidder's Submittal Page C-1 (1 page) is hereby deleted in its entirety and replaced with the new Bidder's Submittal page C-1, Addendum No.1 (1 page) which is attached to this addendum and includes a revised Bid Schedule.
