FARMERS BROTHER COMPANY LEAVES HARBOR GATEWAY

Torrance, Calif., Feb. 5, 2015 – With the recent news of the relocation of Farmer Brothers Company from the Harbor Gateway, City of Los Angeles; the City of Torrance would like to wish our neighbor good luck as they prepare for their transition. Torrance Mayor, Patrick J. Furey said, “Even though Farmer Brothers Company operates in an adjacent city to Torrance, the region will still feel the effects of their relocation. The South Bay however, is still a great place to do business and always welcomes companies looking to expand or relocate. In addition, there are a variety of job opportunities in the region as well as retraining services at local workforce centers.”
