Leadership and Dedication Torrance Families Can Count On

I am running for City Council to bring innovative and real-world solutions to Torrance. My wife and I chose to raise our four kids here because Torrance has great neighborhoods and schools. I will use my experience in business and community service to ensure Torrance continues to be a great city to do business and raise a family. I will ensure that all residents have a real voice in city hall.

If elected, you can count on me to:

Work with Torrance Police to better protect our neighborhoods through community policing.

Promote business development and work with the Torrance Chamber to better serve local businesses.

Maintain and repair streets and mitigate traffic in Torrance's business corridors.

Build public-private partnerships to provide more youth, senior and military veteran programs.

My diverse leadership experience has prepared me to be an effective councilman:

Small business owner for over 10 years.

Service provide for U.S. Military Veterans
