

# 2013 SLURRY SEAL PROGRAM

## NOTICE OF SLURRY SEAL CANCELLATION

CITY OF TORRANCE

Dear Homeowner/Resident:

Last week you received a Notice that the City's contractor, VSS International, Inc., will begin "slurry seal" treatment on your street and/or other streets in your neighborhood beginning August 13, 2013. Due to an unexpected conflict, the work has been postponed. The work is now expected to occur in September 2013.

A map of the streets that were to be slurry sealed and are now canceled is on the other side of this Notice.

When the work is rescheduled, the City will again distribute a 1-week advance Notice. Also, two (2) days prior to performing work on your street, the City's contractor will provide you with another notice as a reminder of the specific day that your street will be slurry sealed. Be advised that the schedule may change due to inclement weather. However, the City intends to always provide adequate notice of work.

Project information also is available on the City's website at [www.TorranceCA.Gov/26073.htm](http://www.TorranceCA.Gov/26073.htm).

We apologize for any inconvenience and we thank you for your cooperation and patience.
