

## **Planned Outage Notifications** **May 19, 2015 - May 31, 2015**

SCE will soon be performing maintenance on the electrical system in the area. In order to perform this work safely, they must temporarily turn off power. This outage will allow SCE to modernize their grid by making needed upgrades and repairs to increase reliability. SCE realizes that power outages may cause some inconvenience, therefore they try to isolate outages down to the smallest area possible and complete the work safely and as quickly as they can. SCE appreciates your understanding as they work to increase system reliability for the future.
