

STATEMENT OF **CHARLOTTE ANN SVOLOS**
CANDIDATE FOR: **TORRANCE CITY GENERAL MUNICIPAL ELECTION:**
 MEMBER OF THE CITY COUNCIL

ELECTION DATE: AGE OCCUPATION
6/03/2014 **43** **SPECIAL EDUCATION TEACHER**

I would be honored to serve on the Torrance City Council. I have been a resident of Torrance since 2003, where I have been an involved member of the community in various capacities. Currently I have the privilege of serving as a teacher in Torrance. I have also served in various volunteer and leaders capacities in Torrance schools and in First Lutheran church. Through these experiences I have come to appreciate the many challenges facing confronting our city. I also have come to believe that successfully addressing these challenges will require our community to join together in developing creative, mutually beneficial solutions – that simultaneously honor the unique interest of Torrance. As we recover from our recent economic difficulties we have the opportunity to restore and rethink programs within our city. I will not personally profit from this position. I am just a concerned citizen like you. I would welcome the opportunity to continue my service history. Specifically, I would bring my thoughtful, yet optimistic approach to the role, as well as my commitment to work toward bringing together Torrance's many voices in developing innovative, win-win approaches.
