

CITY OF TORRANCE

Torrance Boulevard Rehabilitation

CONSTRUCTION NOTICE

Dear Citizen,

As you are aware, **Torrance Boulevard, between Sartori Avenue and Crenshaw Boulevard** is under construction. The contractor has completed preliminary paving on the north side of the street. This Notice is to inform you that on **Thursday, November 13** street construction will begin in the middle section of **Torrance Boulevard, between Sartori Avenue and Crenshaw Boulevard**. The work will be ongoing for approximately 4 weeks. Work hours are from 7:00 a.m. and 4:00 p.m. on weekdays.

TRAFFIC IMPACTS

Parking on the north side of Torrance Boulevard will remain prohibited on a 24-hour basis. Also, westbound traffic will stay reduced to one lane on a 24-hour basis while the work is ongoing.

Due to an open trench in the middle of Torrance Boulevard, drivers will only be allowed to make right turns into and out of Madrid Avenue, Amapola Avenue, Cota Avenue, Portola Avenue, Arlington Avenue, Cravens Avenue, Engracia Avenue and Sartori Avenue. Left turns will be prohibited.

Delays are expected so we recommend you identify an alternate route. If you need assistance in identifying an alternate route, please contact the Project Engineer at the number below.

We thank you for your cooperation and patience during the construction. Although inconveniences are expected, it is our goal to complete the work as quickly as possible.

For questions or more information, please contact the following City staff:

Bill Kamimura, Project Engineer (310) 618-3078

Beth Overstreet, Engineering Manager (310) 618-3074
