

# TORRANCE TRAVELERS

*On the go again!*

BATTLE OF THE DANCE transports you from Europe to the finest stage in Southern California! Experience exceptional entertainment, world-class performers, a pulse-pounding dance competition and a delicious dining experience. You'll be mesmerized by hypnotic rhythms, stirring choreography and jaw-dropping action! BATTLE OF THE DANCE is a spectacular combination of color, light and movement. The international cast of professional dancers create astounding artistry by combining the disciplines of Spanish, Irish, Pop and Bollywood. The show begins with a brief narration of an old legend. In the year 1588 the remnants of the once-mighty Spanish Armada foundered on the eastern coast of Ireland. The captive Spanish eventually joined their blood, their culture and their passion for dance in the styles that we see on the stage at BATTLE OF THE DANCE. Spanish Flamenco scintillates with passion and style. The Celtic dancer's incredible rhythms and blurring footwork will have even hard core fans holding their breath in amazement. In a great change-of-pace, both styles are combined briefly to create something totally unexpected; Indian Bollywood dancing becomes a magical swirl of color and precision! BATTLE OF THE DANCE would be wonderful as 'just' a dance show, but the cast is rounded out with some of the most amazing artists on stage today. Hysterical ventriloquism and magical stagecraft are all a part of the experience of BATTLE OF THE DANCE.

Tours are designed for those 50 years of age & over.
