CHILD ANNOYING

MAY 14, 2010

DETAILS: On Wednesday, 4/28/10 at 4:00 pm, a 12-year old female juvenile began walking home alone from **HULL MIDDLE SCHOOL**, 3420 229th Place, due to the fact all other students had already left school. She walked W/B on 229th St and noticed the above depicted suspect driving slowly E/B 229th St at Madison and making eye contact with her. She felt uneasy, put her head down and started to walk home faster; when she looked back, the suspect was gone. As she approached Samuel, she noticed the suspect was again traveling E/B on 229th St. The vehicle passed by slowly again and stopped approximately 20' behind her. The suspect exited his vehicle and walked toward her, at which time the victim ran S/B Samuel Ave. The suspect followed her in his vehicle on Samuel. The victim intelligently went to several apartments acting as if she was getting help. She eventually was able to evade the suspect and made it home safely. Due to her quick thinking she was able to keep from being victimized. We need your help to ensure the safety of the other children in the area as well. Please call us if you have any related information or see someone matching this description.
