## CHILD ANNOYING INCIDENT

JANUARY 24, 2012

**DETAILS:** On Monday January 23, 2012 at approximately 5:48 PM having left **SOUTH HIGH SCHOOL** at approximately 5:30 PM, the 14-year-old female victim was walking alone E/B on the north sidewalk of PCH. While crossing the street at Ladeene/PCH, she heard a male voice ask, "Do you want a ride?" She turned around not realizing who asked her and replied, "What?" as she stepped up on the sidewalk in the 4100 Blk of PCH. The male in the vehicle she had just walked around again asked, "Do you want a ride?" While walking backward, she held up her phone to show the male she had a cell phone and did not verbally respond to him the second time. The victim continued walking E/B and when she was in front of the office building parking lot, just east of the intersection, she heard the suspect offer her a ride. Fearing for her safety, the victim began to walk away while looking back numerous times to see the suspect still at the intersection watching her. The suspect eventually made a W/B turn onto PCH and left the area, **120004870**.
