### CHILD ANNOYING SUSPECT

October 21, 2013

#### **DETAILS:**

On Wednesday, October 16, 2013 at 7:00 am, the 16-year-old female victim was standing on the northwest corner of Artesia and Crenshaw on her way to school at **NORTH HIGH**. As she proceeded to cross the intersection and walk southbound on Crenshaw, the suspect vehicle drove up next to her on Artesia and stopped before the driver ordered, "Get in my car!" In fear, the victim continued to walk southbound Crenshaw and once she walked past the suspect seated in the suspect vehicle, he made a U-turn on Crenshaw and headed northbound on Crenshaw back toward her.

As the victim approached 177th Street, the suspect made a left turn onto 177th Street from Crenshaw, stopped in the crosswalk and blocked the victim's path. The suspect again ordered the victim to get inside of the suspect vehicle; the victim proceeded to walk around the front of his vehicle and southbound on Crenshaw. Once the victim was around the suspect vehicle, the suspect again ordered her to get in the vehicle, but this time said he would pay her.

The victim continued to walk southbound on Crenshaw, ignoring the suspect and met up with a friend shortly after the last encounter. The victim did not observe the suspect's last direction of travel.
