Child Annoyance Arrest **DR# 120017303 / 120017084** **July 12, 2013**

Torrance Police Detectives arrested a 54-year-old male from the City of Torrance on various child annoyance charges stemming from two separate incidents that occurred last year.

Eliseo Borrero, 54 years, of Torrance, was taken into custody by detectives without incident on July 10, 2013, after detectives discovered that Borrero had unlawfully exposed himself to three female juveniles on two separate occasions during the early part of 2012.

The first incident occurred in late January or early February of 2012 when a 12-year-old and 11-year-old female were walking home from Casimir school at approximately 3 pm when an older model light-colored vehicle, driven by Borrero, pulled up beside them. Borrero attempted to make verbal contact with the juveniles and when they looked his way, he exposed himself to them before leaving the area.

The second incident occurred in March of 2012, when Borrero exposed himself to a 12-year-old female who was also walking home from Casimir Middle school following dismissal. Borrero was driving the same older model vehicle as in the initial incident.

Detectives were able to locate the vehicle and Borrero when one of the victims observed the vehicle again in May of 2013 and a license plate was obtained. Police were able to link Borrero to both incidents and believe more victims have yet to come forward. The vehicle in question is a grey Honda Civic

Hatchback, California license 4GTG160, with collision damage and paint missing on the front driver's side quarter panel.

This crime is being investigated under the command and direction of Captain Bernard Anderson of the Special Operations Bureau. Any person with additional information on these unlawful incidents or others involving Borrero and/or this vehicle in question is encouraged to contact the Torrance Police Department Detective Division at (310) 618-5571.
