National Night Out

August 6, 2013
6-9 pm

On Tuesday, August 6, 2013, from 6-9 pm, the men and women with the Torrance Police Department will once again be participating in the 30th Annual National Night out.

Uniformed sworn and non-sworn officers will be visiting the many neighborhood block parties throughout the city as we continue to promote the solid partnership between the community and the police department.

“To be successful as police department, you have to have an educated and engaged community. That is exactly what we have here in the City of Torrance,” said John J. Neu, Chief of Police.

This year’s them will be “See Something, Say Something” as we continue to encourage

the need to get to know your neighbors and report all suspicious activity to the police department.

We are fortunate to have over 400 active Neighborhood Watch groups and we are continuously working to encourage more citizens to become involved.
