### WHEN YOU BUILD THAT HOME

A house built entirely of brick at this time is very little more costly than frame and of course we all know more substantial. Cooler in summer, warmer in winter, more water proof. Saves the price of painting every year, saves on insurance, is everlastingly free from repairs, and above all is more beautiful.

See our many beautiful designs at our yard.  
We will help you with your plans.

### WHAT'S ON AT THE LOMITA

Last Times Today—"Charley's Aunt," with Syd Chaplin. "Her Rodeo Hero," with Billy Sullivan, and Kinograms. Saturday—"Battling Bunyan," with Wesley Barry. The third chapter of "Idaho," and a Christy Comedy. Sunday—Three acts of vaudeville, and "California in Forty-nine." "The Leather Pushers." Monday and Tuesday—Reginald Denny in "Oh, Doctor." Two-reel Western, and Kinograms.

A splendid program of vaudeville is promised as the Sunday attraction at the Lomita theatre. Swain's Cat and Rat Circus is the feature stage attraction, and is said to be a remarkable exhibition of training these little animals. The Roundas duo, offering comedy bicycling, and Rose Valda, in popular songs, complete an entertaining half hour. The picture program will be headed by "California in '49." Thrills, action, fighting, make it worthy of its name. Those who have viewed it do not spare words in saying it is the last word in striking, virile, red-blooded American drama, written, set and acted with a skill and wealth of detail that make it stand head and shoulders above all other historical, romantic dramas. "The Leather Pushers" is on the same bill. Monday and Tuesday will bring Reginald Denny in "Oh, Doctor," one of the most entertaining combinations of humor, comedy, satire and rapid action ever shown on any screen. A two-reel Western and the Kinograms complete the bill.
