## **Help Name The East T Hangars at KTOA!**

- Would you like to see a little more character to the East T's?
- Would you like to see an easier way to find your hangar after a long flight?

The Torrance Airport Association, in conjunction with the Airport Commission and the City of Torrance, has formed a committee to create new signage for each and every hangar row. We need your help and input to suggest names for the 21 rows.

- Name must have Torrance aviation historical significance.
- Name can be a person, aircraft, company, place, etc.
- Deadline for submissions is October 31, 2015.

Send in your suggestions via the enclosed application and City addressed return mail envelope, or drop it off at the General Aviation Center at 3301 Airport Drive.

For more info you can contact Airport Administration at (310) 784-7900 or email at [airportadmin@TorranceCA.gov](mailto:airportadmin@TorranceCA.gov).
