

Common Cents

“An inside look into businesses and companies in the City of Torrance”

Common Cents is a half-hour show that explores local companies and small businesses, introduces viewers to the people behind the scenes and provides a comprehensive look at their operations, history and mission. **Common Cents** promotes a supportive relationship among the business community, the city government and the community at large.

Show #11.07
featuring
PacWind

Cablecast: 11/28/2007-12/26/2007

PacWind has invented, engineered and continues to product a revolutionary line of vertical axis wind turbines (VAWTs) that can be installed nearly anywhere. The turbines are completely silent, stable and safe in wind conditions up to 100+ mph. Furthermore, they are maintenance free, operate in all climate conditions and best of all - - are also bird, wildlife and people friendly!
