Prior to roll call vote on the motion, Councilwoman Hardison stressed her firm support of this program and her recognition of the assistance provided to the youth of the community. Ms. Hardison requested that she be forewarned should there be any future possibility of a decline in the program itself.

Roll call vote was unanimously favorable [Councilman Nakano absent].

13. ENVIRONMENTAL/BUILDING AND SAFETY MATTERS:

13a. EARTHQUAKE HAZARD REDUCTION:

There was a brief introduction by Building and Safety Director Grippo.

Councilman Applegate related a situation in which access to the property to effectuate needed work was denied because it was not within the scope of the existing lease agreement. He asked if there would be provision for a time extension to address such problems and was apprised by Building and Safety Director Grippo that the only option available would be a formal request made to the Board of Appeals.

The probability that health, safety and life protection considerations would override this type of situation was addressed by City Attorney Nelson in response to further questions by Mr. Applegate. It was Councilman Applegate's opinion the owner of the property should have the ability to either comply with the City's directive or to be granted an extension until such time as he can comply.

Mayor Geissert requested that an informational item focusing on this concern be submitted to the Council by the City Attorney.

Audience comments were then invited by the Mayor.

Ms. Mary Perry, 1414 Cravens Avenue, reviewed financing problems specifically related to her property. Following extensive clarification by the Mayor and staff, Ms. Perry was referred to Principal Planner Bihn for assistance in that regard. Ms. Perry submitted a written statement [of record] for Council review.

At the Mayor's request, City Clerk Bramhall read number and title to . . .

15. HEARINGS:

15a. PP 89-3, W 89-1: MARK AND LAURIE LLOBELL:

Mayor Geissert announced that this was the time and place for continued Council consideration of an appeal of a Planning Commission approval of a Precise Plan of Development and a Waiver to allow the construction of a new two-story residence with less than the required front yard setback for a garage facing the street on property located in the Hillside Overlay District in the R-1 zone at 22633 Gaycrest Avenue. PP 89-3, W 89-1: MARK AND LAURIE LLOBELL.

Proof of publication provided by the City Clerk was filed without objection.

Principal Planner Gibson provided the staff presentation on this item advising of the Planning Commission's and Planning Department's recommendation for denial of the appeal and approval of the project.

The proponents, Mark and Laurie Llobell, 5203 Ruby Street, described the most recent revision to their building plans which they maintained addresses the City's request to reduce the impact on view from the Wheeler residence [22639 Gaycrest] by increasing the setback on that side. The design modifications, which included relocating the front entrance from the front of the residence to the side adjacent to the Wheeler's, were described by Mr. Llobell, who maintained that they would not infringe on anyone's view, light, air or privacy with the new design.

Councilwoman Hardison noted her overriding concern at this point with the large second-story balcony and side entrance, which in her mind represented outdoor activities, facing the Wheeler residence.

It was explained by Mr. Llobell that the balcony off the master bedroom is not designed to be an entertainment room.

Audience input was invited by the Mayor.

Speaking in OPPOSITION to this most recent design were:

- Mr. Ronald Forestal, 22632 Gaycrest [read aloud a letter of opposition (submitted for the record) from Mr. George Cooper].
- Ms. Helen Wheeler, 22639 Gaycrest.

City Council
July 11, 1989

- Ms. Jeanette Forestal, 22632 Gaycrest.
- Ms. Ruth Gastelum, 22650 Gaycrest.
- Ms. Jane Vartanian, 22608 Gaycrest.
- Ms. Alyce Wilner, 22520 Gaycrest.
- Ms. Gladys Snyder, 22708 Linda Drive.
- Ms. Dorothy King, 22720 Gaycrest.

Concerns voiced by the above speakers included: massive size relative to buildable lot size, bulk, non-conformity with neighborhood, infringement on privacy, water run-off [Ms. Wheeler], and the anticipated overall adverse impact to many neighbors.

Speaking in FAVOR of the project was:

- Ms. Patricia Blanco, 22621 Gaycrest, who offered her opinion that the proposed structure would be an attractive one.

Following further brief comments by the Llobells, Councilman Applegate moved to close the hearing. His motion was seconded by Councilwoman Hardison and roll call vote was unanimously favorable [Councilman Nakano absent].

Voicing his opinion that there has been an honest attempt to address the concerns of the neighbors, Councilman Applegate offered the following --

MOTION: Councilman Applegate moved to concur with staff's recommendation for approval of PP 89-3 and W 89-1, MARK AND LAURIE LLOBELL [denial of the appeal]. The motion was seconded by Councilman Walker.

Discussion continued with the balance of the Council in attendance indicating concerns regarding the size of the structure in relationship to the amount of buildable lot area. Location of the large balcony [earlier addressed by Councilwoman Hardison] and relocation of the entrance to the south side were also matters of concern.

City Council
July 11, 1989

Councilman Mock offered a SUBSTITUTE MOTION to grant the appeal and deny the project on PP 89-3 and W 89-1, MARK AND LAURIE LLOBELL. This motion was seconded by Councilwoman Hardison and carried by way of the following roll call vote:

AYES: Councilmembers Hardison, Mock, Wirth and Mayor Geissert.

NOES: Councilmen Applegate and Walker.

ABSENT: Councilman Nakano.

17. ADMINISTRATIVE MATTERS:

17a. RENEWAL OF EXCESS MUNICIPAL LIABILITY INSURANCE:

Driver Company to provide the City's excess municipal liability insurance for the period July 14, 1989 to July 14, 1990 at a cost of \$111,070. Funds for this coverage have been provided in the 1989-90 City Manager's Budget.

MOTION: Councilman Wirth moved to concur with the City Manager's recommendation on Agenda Item 17a. His motion, seconded by Councilman Mock, carried unanimously by roll call vote [Councilman Nakano absent].

22e. Deputy Chief of Police Popp commented on the Attorney General of the United States visiting the City of Torrance Police facility the previous day to present the City with a check for \$792,000 in asset forfeiture funds.

City Council
July 11, 1989

Mayor Geissert extended sincere congratulations to those people responsible for this accomplishment.

22f. Some disappointment was expressed by Councilman Applegate relative to the rapidity with which the City's fireworks display was executed on July 4th. His comment was so noted by staff.

22g. The efforts of City departments who participated in the American Youth Soccer Organization's 25th Anniversary celebration were acknowledged by Councilman Applegate, who commented on the success of that event.

22h. In recognition of the Civil Service Commission's hard work as a quasi-judicial body with a great number of meetings, Councilman Applegate asked that the City Manager and City Attorney return with an agenda item that would allow that body to receive reimbursement for meeting expenses on the same basis as the Planning Commission.

22i. Acting on behalf of Councilman Nakano, who was on vacation, Councilwoman Hardison displayed a plaque received from the American Youth Soccer Organization in recognition of the City's efforts as the birthplace of youth soccer. Ms. Hardison noted that this memento was given to Mr. Nakano at the AYSO anniversary dinner, which he attended in the capacity of Mayor Pro Tem.

22j. It was Councilwoman Hardison's concern that a line of communication be established with the School District regarding the rezoning of the Columbia School site so that all options would remain open. Planning Director Ferren indicated he would follow through.

22k. Councilman Wirth expressed his desire that staff explore the possibility of senior housing at the Columbia School site and provide more information on this issue as well as information regarding private development options and data on all possible sites for senior housing.

City Council
July 11, 1989

22o. Recent newspaper accounts related to the Mobil Oil refinery were referenced by Councilman Walker, who spoke in support of the initiative he filed dealing with the storage of excess quantities of hydrofluoric acid (the Walker Initiative). The City Treasurer's purpose in introducing the \$20 million legal defense fund at the June 27, 1989 Council meeting was challenged by Mr. Walker as was the source of the amount specified.

Clarification and expansion as to the source of the dollar amount set forth in the proposed tax initiative was provided by Mayor Geissert and City Attorney Nelson. The Mayor and Councilmembers Hardison, Wirth and Applegate responded to Mr. Walker's comments, reaffirming their support of the direction taken by the City.

22p. Councilman Wirth expressed his appreciation to Finance Director Giordano for her memorandum which reviewed the information contained in a recent Los Angeles Times article which compared the Torrance Airport with other local general aviation airports. 22q. Her recollection of the 4th of July celebration at Wilson Park as a "wonderful" event was shared by Mayor Geissert, who agreed with Councilman Applegate's observation that the fireworks display seemed shorter than in the past.

22r. Observing that many people, particularly senior citizens, have difficulty writing, Mr. Ollie Harrison, 5115 Scott Street, objected to the City's requirement that complaints be submitted in writing as being discriminatory. A member of the City Manager's staff was assigned to record Mr. Harrison's grievance.

City Council
July 11, 1989

22s. Ms. Eileen Hawkins, 1303 Date Avenue, expressed her concerns regarding public notice in conjunction with the filing of initiatives and lawsuits and related costs. She also asked to be notified of Council items related to the Columbia School site.
