Torrance City Council to Conduct Regular Meeting and a Workshop on March 18 at West High School's Library

Torrance, Calif., March 5, 2008 – Torrance City Council regularly-scheduled City Council meeting on **Tuesday, March 18, 2008** will be held at the **West High School Library (20401 Victor Street)**. The meeting will begin at 7:00 p.m.

To reach out to the community and encourage civic involvement, the City Council is bringing the Council meeting closer to the community. The Council invites the public, especially residents who cannot regularly attend meetings held at City Hall to take advantage of this wonderful opportunity to be heard and meet local officials.

In addition to conducting regular business, the Torrance City Council will host a community workshop specific to issues related to the west area of Torrance.

The March 18th meeting is part of a series of meetings brought closer to the community; it is the fourth meeting held outside City Hall. The first was held last October 24th at North Torrance High School Library and second on February 27th held at Charles H. Wilson Park Gymnasium and the third was held on April 17th at South High School Gymnasium. For any questions or more information, please contact the City Manager's Office at (310) 618-5880.
