### **City of Torrance Changes Web Address to [www.TorranceCA.Gov](http://www.TorranceCA.Gov)**

Torrance, Calif., June 26, 2009 – The City of Torrance announces its new web address and domain name (URL) – [www.TorranceCA.Gov](http://www.TorranceCA.Gov) as a step toward providing the community with clear, convenient and easy means of accessing City information. Starting July 1, 2009, everyone can access the City of Torrance website through this new address. In addition, and all emails to City contacts will also use the new domain “**Name@TorranceCA.Gov.**” For example, emails to Gesuina Paras can be sent to “GParas@TorranceCA.Gov.”

While the URL has changed, the city’s website remains the same robust source of information. It continues to be populated with pertinent information for members of the community to use. The Torrance Events Calendar (along with all other pages) also reflects this change – [www.TorranceCA.Gov/Events](http://www.TorranceCA.Gov/Events).

To ease site visitors into this transition, the [www.tornet.com](http://www.tornet.com) will automatically direct visitors to the same website, which now reflects this new address. Emails to staff sent to the old address will still be received for a period of time as City notifies public of this change.

With this change, it is the City’s hope that people can more readily identify with the City’s website name and visit more often for relevant information about Torrance. The City of Torrance encourages everyone to please share this information with others and visit [www.TorranceCA.Gov](http://www.TorranceCA.Gov) for information about the City of Torrance.
