

The City of Torrance is hiring for

# Home Improvement Program Trainee

**\$10.00/hour**

## OPPORTUNITIES TO EARN WHILE YOU LEARN!

**The City of Torrance Home Improvement Program (HIP) is looking for team players who want to work in a physically active environment to acquire skills in various construction trades (including carpentry, plumbing, electrical and painting) while earning \$10.00 per hour. This hands-on work experience will provide HIP Trainees with six months of training in basic construction techniques, safety procedures, and appropriate use of tools and materials. Worksites will include residential properties in need of repairs along with other projects for the City of Torrance.**

### Minimum Requirements

- Limited or no experience in construction trades preferred—this is a training program!
- Strong work ethic
- Desire to learn and work hard in a physically active environment
- Dependable
- Interested in learning construction trades
- Available to work Monday through Friday 7:00 a.m. to 3:30 p.m.

### How to Apply

Interested candidates are required to submit an [online City Application and Supplemental Questionnaire](#).

The online application packet is available at <http://www.TorranceCA.Gov/Jobs>.

**Application submission closes when 30 applications are received.**
