

# TORRANCE TRAVELERS

## *On the go again!*

**FULLY  
GUIDED  
TOUR!**

**WEDNESDAY, NOVEMBER 19, 2014**

Lucille Ball will always reign as one of the queens of comedy. Most well known for her sitcom, *I Love Lucy*, she was an institution in Hollywood. On this fully guided tour, we'll walk in Lucy's footsteps as we visit some of her favorite places. We'll pay homage to her on Hollywood's Walk of Fame, and make a special stop at the Edelweiss Chocolate Factory, the home of the still operational confectioner machine that inspired the famous *I Love Lucy* episode which had Lucy and Ethel working in a chocolate factory. Along the way we'll see many more of Lucy's beloved haunts. For lunch we'll visit the H.M.S Bounty Restaurant where Desi Arnaz's band used to play when it was a nightclub. The final stop of the day is at the Hollywood Museum where we'll find one of the the most extensive collections of Hollywood memorabilia in the world. Recognized as the official museum of Hollywood, it features four floors of breathtaking exhibits and is home to more than 10,000 authentic show biz treasures. We'll see one-of-a-kind costumes, props, photographs, scripts, star's car collections and personal artifacts, posters and vintage memorabilia from our favorite films and TV shows, including *I Love Lucy*. If you love Lucy, this is the tour for you!
