

CITY OF TORRANCE

NOTICE OF STREET CONSTRUCTION

Torrance Boulevard Rehabilitation

Dear Citizen,

As you may be aware, construction activity has begun on Torrance Boulevard between Madrona Avenue and Hawthorne Boulevard. Currently, the City's contractor is repairing curb and gutter and sidewalk. On **Friday, February 27th**, the contractor will begin pavement reconstruction. The work will be ongoing for approximately 3 weeks. Work hours are between 7:00 a.m. and 4:00 p.m. on weekdays.

TRAFFIC IMPACTS AND ACCESS

Traffic will be reduced to one lane in each direction on a 24-hour basis during the construction. Access to driveways will be accessible during construction. However, there will be short periods (approximately 2 hours) on some days when access will be prohibited in order to complete work.

Delays are expected, so we recommend you identify an alternate route when possible.

We thank you for your cooperation and patience during the construction. We remind everyone to use caution, reduce your speed and observe the traffic restrictions. Although inconveniences are expected, it is our goal to complete the work as quickly as possible.

For questions or more information, please contact the following City staff:

Bill Kamimura, Project Engineer (310) 618-3078

Ron Katayama, Project Inspector (310) 901-9224
