Starting at 9:00am

Every day, the American Cancer Society is helping us stay well by preventing cancer or finding it at its earliest, most treatable stages. They assist families in finding the best resources to help their friend or loved one deal with a diagnosis and their journey to get well.

The American Cancer Society is also rallying communities (like ours!) through events like Relay For Life, to fight back and find cures for this disease.

“Torrance PD Friends & Family” are making a difference by teaming up to participate in the American Cancer Society’s Relay For Life.

At the event, our team will camp out overnight and take turns walking around the track to raise money and awareness to help the American Cancer Society create a world with less cancer and more birthdays.

Saving lives from cancer starts one team, one participant, and one dollar at a time. Our team will be fundraising and doing our part to make sure that cancer never steals another year of anyone’s life.

Please join the Torrance PD Friends & Family team or make a donation. The impact we can make together is much greater than what any of us could do alone!
