## **Status of David Perdue Mediation** **June 18, 2013**

The initial mediation session between the City of Torrance and David Perdue and counsel has been completed. It is the hope of the City of Torrance that dialogue between city representatives and Mr. Perdue's attorneys resumes in the near future.

However, pursuant to the mediation agreement signed by all parties prior to the start of the mediation session and in accordance with California Evidence Code section 1119 (c), we are unable to comment on the discussions and/or negotiations that took place during the mediation session.

The City of Torrance understands the public concern and the severity of the unfortunate incident that occurred involving Mr. Perdue and officers with the Torrance Police Department on the morning of February 7, 2013; and we are hopeful that a resolution can be reached soon.

This case is currently under the investigation of the Los Angeles District Attorney's Office.
