REGISTRATION POLICIES

Persons giving false information regarding name, age, and address may be dropped from the class or activity without refund or credit. Students **MUST** be age appropriate by the first class unless otherwise noted.

Refund Policy

The City of Torrance’s refund policy varies among individual classes/activities. Not all fees are refundable; 20% administrative fee deducted per class. A full refund will **ONLY** be issued for city-cancelled classes. To view the full list of the City of Torrance’s refund policies, see Registration Guidelines at: TorranceCA.Gov/Registration

To withdraw from class, contact the Registration Office at:

Phone: (310) 618-2720 or Email: Enroll@TorranceCA.Gov

Credit and Debit Card Fees
The City of Torrance will be charging a non-refundable fee for all credit and debit card transactions. This fee will help recover some of the costs associated with credit card fees. Please visit our website for the current transaction fee.

Fees
Fees listed represent the cost for residents/non-residents. Makeup classes are **NOT** offered for classes missed by students. Fees are **NOT** pro-rated for students that register late.

Military Discounts
Active Military personnel and their immediate dependents are eligible to receive a 10% discount (up to a maximum of \$10 per program or class per participant) on Community Services programs and classes. For more information, and to obtain an application, see Forms and Supply Lists at TorranceCA.Gov/Registration.

Proof of Residency
Torrance residents will be required to provide current proof of residency when registering for the first time, if you move to a different Torrance address, or if mail is returned. Acceptable forms of proof of residency **MUST** be current and will be limited to the following:

- California Driver’s License (with current address)
- Car Registration or Car Insurance Premium
- Utility Bill such as: gas, electric, Torrance water or trash, or a cable bill (telephone bills, bank statements, mortgage statements, rental agreements, and satellite bills are **NOT** accepted).

Residency
Torrance residents may register for classes and programs prior to non-residents. A Torrance resident is defined as anyone living within the Torrance city limits. Those living in the 90502 zip code and the 90501 zip code east of Western Avenue are considered non-residents. Non-residents are welcome to register for classes, but pay an additional non-resident fee for most classes.

Scholarships
Financial scholarships are available to Torrance residents and may be used by eligible individuals under 18 or over 50 years of age (proof of age required). For program details and to access the application, visit the Forms and Supply Lists section at TorranceCA.Gov/Registration

Waiting Lists
Once a class is filled, participants will be placed on a waiting list. If a vacancy occurs, wait list participants will be notified by phone or e-mail in the order they were placed on the list. Please be sure the Registration Office has your correct contact information on file. If we are unable to reach you, we will remove you from the wait list.

We’re Only Human
Sometimes we make mistakes, and we really appreciate your understanding. If you spot anything that seems off or confusing, please reach out and let us know. Thank you for your patience!

Torrance Torpedos

Tuesdays: 6:45-8 PM | Saturdays: 11 AM-12:45 PM

Ages: 10-17

This class provides advanced swim training for swimmers who already have a strong foundation in competitive strokes. Training emphasizes stroke refinement, endurance, starts, turns, race techniques, and teamwork.

Prerequisite: Participants must be able to continuously swim 100 yards of freestyle, 50 yards of backstroke, 50 yards of breaststroke, and 25 yards of butterfly with proper form. This class is not intended to teach basic swimming skills. Please attend the swim assessment on 8/9/26, 1:30-2:30 PM. **Note: Requests for refunds, credits, or transfers must be made at least one week prior to the start of the session.**

Session Dates:

September 15 - October 17 (5 weeks)
Session 2: October 20 - November 21 (5 weeks)

SWIM ASSESSMENT

Swim Assessment (Ages 4-12)

Sunday, August 9 | 1:30-2:30 PM | FREE!

We are offering a swim level assessment for families that are unsure about their child's swim level prior to registering. Our aquatic staff will assess students and recommend a level based on the assessment. Students need to arrive at the back gate of the pool. **The last swim assessment will be at 2:15 PM.** A swim assessment will take approximately 5 minutes. Please bring a towel, cap and goggles if desired.

If you cannot attend the assessment, please register for the level you think your child is at based on the level descriptions.

Students registering for the WRONG LEVEL will be removed from class and will NOT be eligible for any refund, credit or transfer (see level descriptions on next page).

Participation in the assessment does not guarantee placement or enrollment in swim lessons.

SWIM LESSONS

Youth Swim Lessons

Our comprehensive swim program is designed for all ability levels and ages including youth, teens, and adults. Participants register according to their age group and skill level (see the next page for level descriptions). Please arrive 10 minutes early to check in for the first class. **Note: Requests for refunds, credits, or transfers must be made at least one week prior to the start of the session.**

Session Dates:

September 19 – October 17 (5 weeks)
October 24 – November 21 (5 weeks)

Adult Swim Lessons

Participants will be evaluated on the first day and placed into the appropriate group based on their swimming ability. This is a group instructional class and is not designed to provide continuous one-on-one instruction. Please come 10 minutes early to check in for the first class. **Note: Requests for refunds, credits and transfers must be made at least one week before class begins.**

Session Dates:

September 15 - October 15 (5 weeks)
October 20 – November 19 (5 weeks)

Private Swim Lessons – All Ages

This class is ideal for those seeking one-on-one instruction to learn to swim and improve swim technique. All swim abilities are welcome. **Note: Requests for refunds, credits and transfers must be made at least one week before class begins.**

EARLY CHILDHOOD EDUCATION PROGRAM

Requirements for parents: Parents must attend a parent meeting held during the last 30 minutes of the first day of class. We encourage parents to sign up and volunteer during the session. If you would like to volunteer, complete the ECE Volunteer Application Form online at www.TorranceCA.Gov/VolunteerProgram. Volunteers will need to complete live-scan fingerprinting, and provide proof of a negative TB test from your doctor.

Requirements for children: Children must be completely toilet trained before registering. Proof of age must be presented at the parent meeting. Students must be age appropriate by the first class. Classes take place on Mondays, Wednesdays and Fridays at Greenwood Park, 1520 Greenwood Avenue.

Early Explorers

Age: 3 - 4 | Instructor: Danielle | 12 weeks

This developmentally focused early childhood education class supports social-emotional growth and introduces foundational skills through creative, age-appropriate activities. Children begin developing early cognitive and literacy skills such as name recognition, letter awareness, tracing, cutting, counting, and identifying shapes, colors, patterns, and numbers. Hands-on experiences including art, music and movement, and outdoor play promote fine and gross motor development. This nurturing environment encourages curiosity, imagination, creativity, and a love of learning.

Fun and Friends

Age: 3.5 - 5 | Instructor: Shannon | 12 weeks

This early childhood enrichment program supports the growth of early learning, literacy, and social skills through engaging, hands-on experiences. Children explore academic concepts including letter recognition, numbers, shapes, cutting, and introduction to writing in a creative and supportive setting. Circle time fosters listening, participation, and a sense of classroom community, while art, music, and outdoor play support physical growth and social interaction. Blending guided learning with imaginative exploration, this class builds confidence and helps children feel prepared for the next step in their learning journey.

VOLUNTEER AT THE MARSH!

Habitat Restoration
Saturdays
9:00 AM-12:00 PM | FREE
Help protect and preserve the natural beauty of the Madrona Marsh Preserve! Volunteers assist with maintaining the preserve by removing invasive, non-native plants, pulling weeds, and planting native species that support the local ecosystem.

Join us in making a positive impact on this unique natural habitat.

Online registration is required, complete a [volunteer application](#) today!

COYOTES IN SOUTHERN CALIFORNIA

FALL SEASON

A COYOTE'S LIFE CYCLE IS CLOSELY TIED TO THE SEASONAL CHANGES OF AN ECOSYSTEM

PUPS BORN IN SPRING ARE NOW FULL-GROWN COYOTES. There may still be a noticeable difference between an adult coyote and an adolescent. As time passes and hunting becomes more successful, a young coyote's size will approach the average weight range for adult coyotes: 20-35 pounds.

YOUNG COYOTES LEARN TO HUNT. Adolescent coyotes develop hunting and survival skills not only in the wild but also in cities, like Torrance. Coyotes thrive near urban areas because they take advantage of unsecured food sources. While they are still wary of people and cars over time they adapt to finding food sources wherever it is most convenient.

ADOLESCENT COYOTES SEARCH FOR A NEW HOME RANGE. Social hierarchy in a pack often requires adolescent coyotes to leave during the fall, although some coyotes stay with their pack as beta coyotes. During dispersal, coyotes find another pack, establish a new pack with a mate or roam alone without a territory.

WHY DO SOME COYOTES LEAVE THE PACK?

Hierarchy is key to pack stability. Young coyotes may pose a threat to the alpha male or alpha female. Thus, young coyotes often leave or are pushed out to prevent competition within a pack.

PREVENT COYOTE CONFLICT

HAZE COYOTES, ESPECIALLY ADOLESCENTS. Young coyotes have a natural fear of people and remain skittish until they learn otherwise. If residents passively observe a coyote, it learns humans pose no risk. Thus, entering residential areas for easily accessible food is low risk and the reward (food) is high.

REMOVE COYOTE ATTRACTANTS. Adolescent coyotes quickly learn where to find food. If food, water, or shelter are found near your home expect visits from wildlife, including coyotes. Print the [At-Home Coyote Prevention Checklist](#).

PROTECT CHILDREN AND PETS. Teach children wildlife safety. Never approach an unfamiliar canine without parents' permission. Coyotes are often mistaken for dogs. Supervise small children and pets when outdoors.

DID YOU KNOW?

- Coyotes in urban areas face survival challenges: only 60% of adolescents survive their first year.
- The number 1 cause of death for urban coyotes is being hit by a car.

OPIOID AWARENESS AND RESOURCE GUIDE

The Torrance Police Department's goal is to prevent loss of life and educate the public on the extreme dangers of opioid addiction, mental health issues and homelessness.

Many people require help with addiction, mental health and homelessness and don't know where to turn to receive assistance with these services. This resource guide is designed to assist individuals in beginning the process of recovery.

T -Torrance P.D. Outreach O-Opioid Education R-Respond with Resources C-Coordinate Victim's Resources H-Help Eradicate the Problem Over the past few years there has been an overwhelming increase in drug use, mental health issues and homelessness in the community. The Torrance Police Department would like to offer referrals to any citizen who could benefit from utilizing these programs.  It can happen to anyone... Unfortunately, for the unsuspecting public, illicitly manufactured fentanyl can be dis-guised as prescription Oxycodone, Xanax, nasal sprays, eye drops and other forms of medication. Only two grains of fentanyl (the size of a few salt granules) are potent enough to put you at risk of an overdose. Naxalone is a safe medication that can reverse an overdose from opioids; however, it should not be relied upon.
