

Miss Kim

My name is Kim and I have been working in a classroom for 28 years, 21 of which has been for the City of Torrance. When my son started in the Early Childhood Education program through the City, I became interested in being a part of it. I was asked to join the staff in 1995 and I have been working in the program ever since. I love and enjoy being in the classroom, working with and watching the children learn and grow. I have seen many families and siblings go through this program. I believe we have one of the best programs around.

Some fact about me:

I am married.

I have a daughter, a son and one grandson.

I love crafting, card making, sewing and baking.
