Torrance CitiCABLE Reporter Internship Program

This is a 4-month volunteer Non-Paid internship as follows.

- a. December to April
- b. May to August
- c. September to December

Candidates must take a writing test to demonstrate script writing ability in standard news-style (split page) script.

Interns are required to spend two days per week in the newsroom logging tapes, writing anchor copy, research & pitch story ideas and assisting producers. In addition, interns are required to report on stories once a week. Total time commitment will average 20 hours each week.

Interns will have the opportunity to write, produce, and report. In addition to field reporting, interns will assist show producers by following up on story leads, write anchor copy and vo/sot`s, make calls to arrange stories, and submit production requests to secure crew for shoots.

At the conclusion of the program, interns who have completed the 4 month program will receive a segment tape with copies of all reported stories.

This internship is geared toward applicants who have graduated with a degree in a broadcast journalism or the equivalent in field experience.
