Meeting Locations

The After School Club meets either in the cafeteria or a classroom on the school campus. (Participants at Fern Elementary will meet at Greenwood Park.) In the event the school requires use of our meeting location, the After School Club will be relocated to another location on campus for the day. A sign will be posted on the door to let parents/guardians know where the After School Club has been relocated. If you are unable to reach the staff by telephone, you can page them on the After School Club pager. If possible, you will be notified of the location change in advance; however, the school does not always provide this information in advance.

After School Club Hours

The program begins immediately after school and operates until 6:00 p.m. Late fees will be charged beginning at 6:01 p.m. The program is not in session on school holidays. The program is available on minimum days and during parent conferences. The After School Club follows the Torrance Unified School District's Student Free Day and holiday calendar. The program is closed when the schools are not in session. Prices reflect resident/non-resident fees. Please see page 12 for additional information regarding late fees.

Notification of Special Needs

Please notify staff if your child has any special needs, allergies, behavioral concerns, etc. and provide complete information on the Participant Emergency Form. If a child has a severe allergy and/or requires medication while at the program, a Severe Allergy Form and/or Medication Policy will be required. Staff will review the Participant Emergency Forms, Severe Allergy Forms and Medication

Policies of all children as they are turned in. (Please refer to page 11 for additional information regarding this topic.)

Children with special needs may be admitted after Supervisors discuss with the parent/guardian the child's strengths and limitations prior to registration. The City of Torrance provides a staff to participant ratio of 1 to 10 for elementary school students and 1 to 13 for middle school students. Staff facilitate planned activities and supervise free play among the participants. Staff are not able to provide one on one care for any child except on an intermittent basis, such as injuries and disciplinary issues. We strive to balance the needs of each child with the needs of all participants. If the child has an aide, the aide will be responsible for registering as a volunteer with the City prior to the start of the program.

Mandated Reporting

City of Torrance Community Services Department employees are mandated to report any suspected cases of child abuse or neglect directly to the appropriate authorities for investigation.

What Not to Bring to After School Club

The City of Torrance Community Services Department is not responsible for lost, stolen or damaged items of the participants. Participants may not bring any form of drugs, alcohol or weapons to the program. We do not allow cell phones, music players, laptop computers, headphones, pagers, video games, personal and/or electronic toys, bicycles, rollerblades, skateboards or scooters; snacks that require cooking; games such as Yu-Gi-Oh, Pokemon or Bakugon. The only exception will be on Electronics Day, which will be scheduled in advance. Staff will provide a list of appropriate items children can bring.

Cell Phones

Cell phone use by participants is prohibited. Staff will immediately confiscate any cell phone being used and return it at the end of the day. This policy is designed to help all participants remain engaged and have a more meaningful experience while at the After School Club. Parents/Guardians are advised to call the site if there is an emergency. Please assist us in this area by refraining from calling or texting your child's cell phone during program hours. Cell phones can be used on Electronics Day for games. Texting, phone calls and internet use are not allowed.

Lost and Found/Damaged Items

Lost and found items will be kept at each site. Lost items will be held for two weeks. The City of Torrance Community Services Department and/or its employees are not responsible for lost, stolen or damaged items. We strongly encourage participants to have their name written on all of their property.

Participant Emergency Forms

These forms are required for each participant and are kept at each After School Club site. Please keep this information current, as the forms contain emergency contact information and an authorized list of adults allowed to pick up your child. You are encouraged to list anyone who might pick up your child, especially in case of an emergency. Phone calls will not be accepted. Adults 18 years of age and older who are listed will be allowed to sign out participants, in addition to parents and legal guardians. Court documents will need to be provided in the event that a parent/guardian is not permitted to pick up a child. Please see page 8 for additional information.

Program Structure

Each After School Club site will have a unique program and activities may vary each day. Below is a general schedule:

- Homework Time: The first 30 to 45 minutes of each day.
- Snack Time: Immediately following homework time.
- Activities: 4:00-5:30 p.m.* (*before sunset) Indoor and outdoor games, indoor crafts, community service projects and walking field trips.
- Indoor Activities: 5:30-6:00 p.m. Indoor games and activities.

Activities

- Each month parents/guardians will receive a Monthly Newsletter with the planned activities scheduled at the After School Club. Newsletters are also available on our web page www.TorranceCA.Gov/AfterSchool.
- Activities will be scheduled around various themes throughout the school year. Participants have the opportunity to provide their input and assist staff with planning activities that reflect the theme.
- Scheduled activities are subject to change when necessary.

Homework

- The first 30 to 45 minutes is homework time. Participants are required to work on their homework unless their parent/guardian does not want them to do their homework at the program. If they don't have any homework, or if they complete their homework before the end of homework time, they will be allowed to quietly read a book or work on their creative writing skills.
- Staff will assist participants; however, because of the staff to participant ratio of one staff to ten participants for elementary and one staff to thirteen participants for middle schools, they will not receive one on one tutoring.
- Staff can assist with homework but cannot guarantee that all homework will be completed. Staff are not responsible for correcting homework.
- When homework time ends, staff will direct their attention to other activities scheduled that day. Participants may continue to work on their homework after homework time, provided they do so in the same area where activities are being held. Staff will not assist participants with their homework after homework time.
- Participants must bring all their own supplies (i.e. pencils, erasers, paper and books).

Snacks

A light snack will be provided. Parents/Guardians may pack additional snacks for their child to eat during snack time.

- No peanuts or nuts will be served. However, small traces of peanut or peanut oils may be in the snack items.
- Please notify staff of special dietary restrictions and food allergies. If your child has a severe food allergy, a Severe Allergy Form will be required. The Severe Allergy Medication Policy is available online (www.TorranceCA.Gov/AfterSchool), at the program site and at the Recreation Division Office.
- Participants with special diets are encouraged to pack their own snacks.

Staff

Each site has a Community Services Leader III and enough staff to maintain a ratio of one staff to ten participants (elementary) and one staff to thirteen participants (middle school). All staff undergo a background check at the time of hire.

Movies

- Movies may be shown once per month. Most movies are G rated. Some prescreened PG movies may be shown. If a PG movie will be shown, the name of the movie will be posted one week in advance.
- Participants are not required to watch the movie. Participants will be allowed to do an alternative activity during the movie.

Video Games

- Special Video Game Days may be scheduled. The video games are rated E. Participation in Video Game Day is an optional privilege. Alternate activities will be scheduled on Video Game Day for individuals not participating. The only exception will be on Electronics Day, which will be scheduled in advance. Staff will provide a list of appropriate items children can bring. Cell phones can be used on Electronics Day for games. Texting, phone calls and internet use are not allowed.

Field Trips

- Parents/Guardians will be notified in advance of all field trips. Field trips to local destinations will be listed in your Monthly Newsletter. These routine field trips are within walking distance from the school site. Past trips have included walking to the Library, the Madrona Marsh and local eateries. Students will need to bring money for their purchases. In most cases, the trip will take no more than one hour.
- If you would like your child to attend the field trip, please add their name to the field trip form at the site.
- Parents/Guardians will have the option of not allowing their child to attend any field trip. Staff will remain at the site to provide activities for participants not attending the field trip. Staff must be notified at least one day prior to the field trip if the participant will not be attending a field trip.
- Field trips are a privilege. Participants may not be allowed to participate as a result of discipline or if they have received a Consequence Form.
- Field trips can be cancelled due to poor weather, low participation or if staff to participant ratios are inadequate.

Policies and Procedures

Participant Sign In

- Elementary school students must report to the program immediately after school. Middle school students will have approximately 10 minutes before checking in with staff.

Participant Sign Out

- Participants must be signed out by a parent, legal guardian or an adult 18 years of age or older who is listed on the Emergency Form.
- Participants in middle school will be allowed to sign themselves out provided they have written permission from a parent or guardian. Forms are available at the site. Phone calls will not be accepted. Once daylight savings time ends, participants will not be allowed to walk home after 4:30 p.m. They will need to be signed out by a parent, legal guardian or an adult 18 years of age or older who is listed on the Participant Emergency Form. This is for participant safety.
- Once a participant is signed out of the program, the participant will not be allowed to return on that day. If a participant is signed out during school hours, the participant must be signed back in to school to be eligible to attend the After School Club that day.
- Parent/Guardians must sign out the participant immediately upon arrival to the site. Parents/Guardians will not be allowed to visit or stay with their child at the After School Club while the program is in session.
- Once a participant enters the After School Club site, they are considered to be part of the program that day. They will not be allowed to leave without being properly signed out.
- If a participant leaves the school on their own without being signed out, they will be expelled from the program.
- If a participant has not been picked up by 6:30 p.m. and had not been in contact with parents/guardians, the Torrance Police Department will be notified. This can result in expulsion from the program, even if it is the first time picking up late.

Extracurricular Activities

- Participants will be allowed to attend extracurricular activities that are held on campus with prior written permission from the parent/guardian. Permission slips are available at the After School Club. Participants will be allowed to go to the activity after they have been signed in by staff. Participants must report back to the After School Club immediately after the activity ends. If the participant does not return to the program immediately after the activity or is in another location during the extracurricular activity, they may lose the privilege of attending.
- Participants may attend an extracurricular activity that ends after 6:00 p.m. provided an authorized adult (such as a Team Coach or Team Mom) signs the participant out PRIOR to the start of the activity. The individual must be listed on the Participant's Emergency Form. Once the participant is signed out, they become the responsibility of the authorized adult who signed them out. Abuse of policy can result in revocation of privileges.

Absent Participant

- Parents/Guardians must notify staff if their child is going to be absent by calling the After School Club at 2:30 p.m. or they may call Supervisors at (310) 618-2994 prior to 2:30 p.m.

Parent/Guardian Behavior

- **Any abrasive behavior by a parent/guardian displayed towards any After School Club staff member or participant may result in suspension or expulsion.**
- Parents or guardians are not allowed to discipline or question children who are not their own at the program.
- If a concern arises, please ask to speak with staff or contact Supervisors directly.

Communication and Information Updates

- The telephone at the After School Club is for emergency use and for official After School Club business only. The phone line must be kept open so that After School Club staff can be reached in the event of an emergency. Social phone calls to participants will not be allowed.
- Participants will be allowed to use the phone to call their parent/guardian if there is a situation that needs immediate attention.
- If you need to speak to your child, please call the site, not your child's cell phone.
- On occasion the After School Club may be required to meet in a different room on campus because the regular room is needed for a school function. When that happens, a notice will be posted on the door to inform you where the participants are meeting. If you call the facility and you don't get an answer, you can page the staff. Pager numbers are listed on the back of the After School Club's Monthly Newsletter.
- Parents/Guardians must notify staff if their address or phone number changes. Parents/Guardians should provide their cell phone and/or work number on the Participant's Emergency Form to assist staff in contacting you quickly.
- Participants are not allowed to use cell phones while at the program.

Separated/Divorced Parents/Guardians:

- Parents/Guardians that are separated or divorced will need to provide copies of a signed court order if there are any restrictions regarding their child. Without a signed court order, staff will be required to release the child to either parent/guardian or whoever they authorize to pick up the participant.
- Staff cannot get involved in personal matters. To avoid putting staff in a difficult situation, please do not share personal information unrelated to the After School Club with staff.
- Staff will not deliver messages between separated/divorced parents/guardians.
- Staff are not allowed to give out copies of After School Club documents (i.e. Accident Reports or Attendance Sheets). Copies of these forms can be obtained by contacting the City Clerk's Office.
- Any issues related to the child will be discussed with the adult who picks up the participant that day. Separated/divorced parents will need to develop their own method of sharing information.
- Any written material mailed out from the Community Services Department Office will be mailed to the individual that paid for the child's registration.
- To avoid any disruption of programming and allow participants to remain engaged in the program, parents/guardians cannot visit with their child or make social phone calls to their child while they are at the After School Club.

Staff and Participant Interaction

Staff members are not allowed to contact participants outside of program activities. This includes, but is not limited to letters, emails, social networking sites (myspace.com, facebook.com, twitter.com, instagram.com, Snapchat app, Music-ly app, etc.), telephone calls, text messages and visits. Staff members may not baby-sit, transport or walk home any program participants. Please do not put staff in an awkward position by asking them to baby-sit, transport or walk your child home.

Visitation

At the After School Club, we have an "open door" policy for the parents/guardians of all participants; however, a large part of the program experience is developing a sense of independence, and this can be disrupted by visits.

Program Rules and Discipline Guidelines and Procedures

After School Club Rules

The After School Club Rules include, but are not limited to the following:

- No bullying, physical fighting or intentionally causing physical or emotional harm to anyone.
- No use of profanity or inappropriate comments.
- No inappropriate behavior or gestures.
- No stealing, cheating or lying.
- Participants must respect After School Club and school property and supplies, as well as other participants' property.
- Participants must listen to and follow direction from staff.
- Participants must respect staff and other participants.
- Participants must stay in assigned areas.
- Participants must keep their hands to themselves.
- No damaging or defacing of property (including After School Club facility and personal property).
- Participants must report to the After School Club directly after school.
- Participants must bring their own supplies and stay seated and quiet during homework time.
- Participants must not bring items from the "What Not to Bring List" on page 4.

Our discipline procedure is very basic and allows children the opportunity to choose a behavior that is most beneficial to their daily experience. When a child makes a committed choice to not follow directions and refuse our methods of discipline, we have lost the ability to provide a good experience for that child. In addition, it causes unnecessary interruptions for other children and staff. We reserve the right to review each disciplinary problem based on the severity of the infraction.

The After School Club is designed for children who can function in a recreation setting at a ratio of one staff to ten participants (elementary) and one staff to thirteen participants (middle school). The After School Club staff are trained to handle typical juvenile issues. Staff are not, however, trained to handle participants with extreme behavior problems. The staff to participant ratio prohibits the staff from being able to handle excessive behavior problems. Following program policies and rules provides participants with an atmosphere of support which includes clearly set guidelines and therefore, ensures that each participant's experience will be positive. We must balance the needs of each child with the needs of all children. Please see page 4 for additional information regarding participants with special needs.

It is program policy to discuss consequences and discipline of participants only with their parent/guardian. We do not share consequences or discipline with other parents/guardians.

Disciplinary Steps

- Staff will inform participant of the rule(s) that have been broken. If the behavior persists, the participant will be asked a second time to discontinue their actions. After that, they may be placed in time out or lose privileges. Time out lasts anywhere from 1 to 15 minutes and requires the child to sit quietly, apart from the group (within staff view). Staff will notify the parent/guardian.
- If the same behavior or other disruptive behaviors continue to take place, causing a strain on the flow of activities for other participants, a Consequence Form will be issued, and the parent/guardian will be notified by phone. The Consequence Form will indicate what behavior occurred and the consequence(s) associated with the behavior. The information will be discussed with the parent/guardian at pick up. A participant may be required to be picked up early (within 30 minutes of the phone call) depending on the severity of the rule(s) broken.

- If there are further incidents, the participant will receive a suspension or be expelled from the program. The length of the suspension will be based on the severity of the offense. If a participant is expelled from the After School Club Program, they will not be eligible to sign up for the City of Torrance After School Club, Mini Kids Club or Day Camp programs in the future. Parents/Guardians will not receive a refund if their child is suspended or expelled.
- Additionally, abrasive behavior from parents or guardians can result in the child being excused from the program.
- **Depending on the severity of the offense, a participant may be immediately suspended or permanently expelled from the After School Club upon the first offense if their behavior is not conducive to maintain a safe and wholesome environment.**

More severe behaviors (including but not limited to physical assault, threats, fighting or biting), possession of any type of item which may injure or harm anyone, theft and vandalism will not be tolerated. Any violation can result in expulsion, even if it the first offense. Any child who brings alcohol, drugs or weapons to the program will be expelled from the program.

Consequence Forms

If your child receives a Consequence Form, it will become part of their permanent file and will carry over from year to year. If a child receives a cumulative total of four Consequence Forms, they will be expelled from the program.

If a participant is expelled from the After School Club Program, they will not be eligible to sign up for the City of Torrance After School Club, Mini Kids Club or Day Camp programs in the future. Parents/Guardians will not receive a refund if their child is suspended or expelled.

Bullying

Bullying is any intentional hurtful act, committed by one or more persons against another. Types of bullying include, but are not limited to, physical, verbal or relational and will not be tolerated. Any child who is found bullying another participant will receive a time-out and a parent/guardian conference on the first offense. A second offense for bullying is grounds for a Consequence Form and suspension.

Verbal/Physical Intervention

Staff have a responsibility to maintain a safe and orderly environment for the public, program participants and for themselves while in City programs and at City facilities. In situations where harm might come to a member of the public, program participants or to staff themselves, staff is expected to intervene when they can and/or feel appropriately safe to do so. In the event staff does not feel safe, they are expected to contact the proper authorities (i.e. a Supervisor or Police Officer) immediately so that appropriate action can be taken.

If a situation is escalating, or is occurring, staff are expected to *verbally* intervene when possible. If they feel safe to do so or as stated above, they will contact the proper authorities. Staff should **NOT** put their hands on a child or on any program participant or member of the public. However, in a situation where physical intervention is immediately necessary (i.e. to keep a program participant from harming themselves or another person), staff may physically intervene, only when absolutely necessary. If a situation such as this occurs at the program, the parent/guardian will be contacted immediately.

Sick Participants and Medication Policies

Sick or Injured Participant

If your child is exhibiting any sign or symptoms of illness, such as a runny nose, continual cough, fever or other illness-related side effects, please be considerate to others by keeping your child at home. Consult a physician to determine if your child's symptoms are contagious and when they should return to the program. In order to provide quality care for the participants, we want to provide a sanitary environment for the children and our staff. If a child exhibits signs of sickness, the parent/guardian may be called to pick up the child, and we may ask the child not to return until he or she is well again.

- Keep your phone number and emergency contact numbers up-to-date on the Participant Emergency Form.
- Our programs are not set up to handle sick children. If your child becomes ill (especially with, but not limited to fever or vomiting), you will be contacted to come and pick up your child immediately. If you cannot be reached, we will contact someone on the Emergency Form.
- If your child receives a minor injury, such as a scraped knee, the staff will administer basic first aid (i.e., wash injured area and provide a Band-Aid) and will inform you of the incident when you pick up your child.
- If your child receives a more serious injury, staff will take whatever steps are necessary to obtain emergency medical care if warranted. These steps may include, but are not limited to:
 - Attempt to contact a parent/guardian to inform you and to give you the opportunity to take your child to a physician.
 - Attempt to contact you through any person listed on the Participant Emergency Form.
 - If we cannot contact you or your child needs immediate attention, we will call 911.
- Please do not send your child to the program if they have pink eye, lice or chicken pox. If staff observe what appears to be pink eye, lice in a child's hair or what appears to be chicken pox, the parent/guardian will be called to pick up the child. If the medical condition has been confirmed, a letter will be sent to all parents/guardians notifying them of possible exposure.
- To ensure the safety of the injured child and of all campers, staff will use their discretion, along with the medical limitations of the participant, when determining participation in activities. For example, participants wearing a cast will not be allowed to play certain games.

Medication Policy

The City of Torrance Community Services Department has established a Student Medication Policy for parents/guardians, participants and staff to follow when a participant needs to take medication during the program. This policy is for participants that are able to administer their own medication. Parents/guardians will need to submit the completed forms prior to the child's first day in the After School Club. The Medication Policy is available online (www.TorranceCA.Gov/AfterSchool), at the program site and at the Community Services Department, Recreation Division Office.

Severe Allergy Medication Policy

The Department has established a separate Severe Allergy Medication Policy for dealing with participants with severe allergies. A "Severe Allergy" is defined as an allergy that would pose a life threatening danger without immediate medical assistance. "Immediate" is defined as the need for assistance in less time than it would take for the paramedics to arrive. Parents/guardians will need to submit the completed forms prior to the participant's first day at the After School Club. The Severe Allergy Medication Policy is available online (www.TorranceCA.Gov/AfterSchool), at the program site and at the Community Services Department, Recreation Division Office.

Late Fees

- The After School Club ends at 6:00 p.m. A late fee will be charged beginning at 6:01 p.m. The clock at the facility will be used to determine the time. The late fee is \$10.00 for every 15 minute interval or portion thereof that you are late picking up your child. - If a participant is picked up late on three occasions, it will be grounds for suspension from the program until arrangements can be made to ensure that the child is picked up by 6:00 p.m. Once the participant returns to the program, if they are picked up late again, the participant will be expelled from the program.
- If a participant has not been picked up by 6:30 p.m., the Torrance Police Department will be notified. This can result in expulsion from the program, even if it is the first time picking up late.

Returned Checks

- If your check does not clear due to insufficient funds, you will be charged a \$25.00 returned check fee. The returned check fee and the registration fees must be paid in person at our Finance Department within two business days. Payment must be cash, money order or credit card only (Visa, MasterCard, American Express or Discover). If your check does not clear due to insufficient funds on two occasions, you will lose check writing privileges.
- If payment is not received within two business days, your child will not be allowed to attend the program until fees are paid.
- Once a check is written to the City, you are obligated to pay the fees. Even if you decide to cancel your enrollment in the program, you must pay the returned check fee and the registration fee. Can staff accept gifts?

No. We discourage our staff from accepting personal gifts. Cards or thank you letters can be accepted.

Can a staff member drive my child home if I give them permission?

No. Staff are not allowed to transport participants in their private vehicles or walk them home.

I no longer want a person on my emergency form to pick up my child. Can I make changes?

Yes. Ask staff for your child's emergency form, and draw a single line through the person's name. Put your initials and the date next to the correction.

I need to get a form signed so that I can be reimbursed by my employer. Can After School Club staff sign the form?

No. Staff are not allowed to sign any documents. Please call the Registration Office at (310) 618-2720.

If my child has an activity off campus, can I take him to it, then bring him back to After School Club?

No. Once a participant is checked out of the program, he or she is not allowed to return that day.

Can I bring my child to the After School Club later in the day if I checked him/her out of school early for a doctor's appointment?

No. Participants are only allowed to attend the program if they are signed in at school. If a child is signed out with the school for the day, they will not be eligible to attend the program that day.

Can I hire a tutor to work with my child during homework time?

No. Our program is not set up to handle private tutoring lessons at the After School Club site.

Can I get copies of attendance sheets or an Accident Report?

Yes. You can request a copy by contacting our City Clerk's Office at (310) 618-2870.

I don't want my child to do his homework at the program. Can he go outside and play instead?

No. Homework time is designated as quiet, educational time. This is also the time that we set aside for staff to assist participants with their homework. You are welcome to send other educational material for your child to work on or a book to read during this time.

Will the staff tutor my child during homework time?

No. Our ratio prevents us from individually tutoring participants.

I don't want my ex-husband's girlfriend picking up my child. Can I prevent this from happening?

It depends. If you have a court order that gives you sole custody of the child, you can decide who picks your child. If you have joint custody, you or your ex-husband must agree on who picks up your child.

What happens if a participant tells the staff that their parent/guardian is harming them?

Our staff are mandated reporters of child abuse or neglect. If we have a suspicion that a child is being abused or neglected, we are required to report it to the proper authorities.

What options do I have for care during Winter, Spring and Summer breaks?

The Department offers a number of alternatives.

- We offer several Day Camp Programs. There is a weekly charge for the program. Information can be found in the Torrance Seasons, at our website www.TorranceCA.Gov/DayCamps, or you may contact the Registration Office at (310) 618-2720 for more information.

Can my child use a cell phone while in the After School Club?

No. Cell phones are not allowed to be used at the After School Club.

Can my child use the site phone to call me?

Yes. The phone is for emergencies and official After School Club business only. Participants will be allowed to use the phone if they have an emergency.

Can my child bring a friend to the Club to hang out with him?

No. Only registered participants are allowed at the After School Club.

Can participants hang out at the After School Club after they have been signed out?

No. Once a participant has been signed out of the program, they are no longer allowed to participate.

What steps do the After School Club staff take if they have a missing child?

The following steps are taken:

- We check the school attendance sheet to see if the child was at school, and if so, if they were signed out by a parent/guardian.
- If the participant is not listed as absent, or was not signed out by a parent/guardian, staff will ask their classmates if they saw the participant. Staff will also check the participant's classroom and the campus.

- If the participant cannot be located, staff will contact the parent/guardian and/or individuals listed on the emergency form to see if they picked up the child after school.
- If the child cannot be found, staff will contact the Torrance Police Department.
- If a participant leaves the school grounds without permission, they may be suspended or expelled from the After School Club.
- When a participant is missing, it takes staff's attention from their primary duties. As a result, the other participants are negatively impacted. This is why it is extremely important that parents or guardians notify us if their child is going to be absent.

What happens if I move after I enroll in the After School Club?

Parents/Guardians are asked to keep us informed about changes to their address or phone numbers. Depending on where you move, the following will happen:

- If your current school is still the home school for your new address, you will simply need to provide us with proof of your new residency.
- If you move outside of the City of Torrance, you will need to contact the Torrance Unified School District at (310) 972-6500 regarding getting a permit to stay at the school. If you are allowed to stay at the school, you will be required to pay the non-resident fee for any future payments.
- Each school has an established boundary. If your new address is outside of those boundaries, then you will be required to transfer schools. If you do not want to transfer schools, you will need to contact the Torrance Unified School District to inquire about getting an inter-district permit.
- If you are not granted an inter-district permit, or you do not want to stay at your current school, you can request to transfer to the After School Club at your child's new school. If we have a program at your child's new school and if there is an opening, then we will honor the transfer. If the After School Club at your new school is full, you will be added to the waiting list. Your child will only be allowed to transfer to the program if someone currently in the program at that school cancels and it is their turn on the wait list. Until that time, your child will not be eligible to continue in the After School Club, as participants are only eligible to participate in the program at the school they are enrolled in.
- If circumstances do not permit your child to continue in the program, you will receive a prorated refund. An administrative fee of 20% with a maximum of \$25.00 will be deducted from all refunds.

If my child is expelled from the program, is he or she eligible to come back to the After School Club the following year?

No. Participants are only expelled from the After School Club for major rule violations. As a result, the participant is not eligible to return to the program again in the future, nor are they eligible to participate in the Mini Kids Club or Day Camp Program.

What will happen if I do not notify the After School Club that I have moved?

Failure to notify the program that you have moved is grounds for expulsion from the program.

What happens if I can't make my payment by the due date?

If payment is not received by the due date, the participant will be dropped from the program. Participants on the waiting list will be offered the opportunity to register. If a space is still available when you secure the funds to make a payment, you will be allowed to re-register. If no spaces are available, you will be given the opportunity to be added to the waiting list. You will not receive priority over others on the waiting list.
