City of Torrance Youth Sports

The City of Torrance Youth Sports Program aspires to be an outstanding recreational athletic organization that provides a high-quality experience to every athlete by teaching “life lessons” that have value beyond the playing field..

League Philosophy ★Coaches Coach. Kids Play. Parents Cheer. ★

The City of Torrance Youth Sports program is designed to provide all children the opportunity to participate in an organized recreational sports activity without fear of discrimination, humiliation or harm.

This program has been established to:

1. Introduce the children to an organized team sport experience, where they can learn the game.
2. Promote values associated with group participation such as: teamwork, sportsmanship, unity, cooperation and a sense of belonging.
3. Give children the opportunity, regardless of ability, to engage in competitive activities and at the same time have fun.
4. Establish a sense of responsibility to someone other than one's self.

Volunteer Coaches

The definition of a "Volunteer Coach" is an individual who willingly gives time and effort to the City of Torrance Recreation Division for the advancement of the Youth Sports program. Without this type of volunteer leadership, this program would be unable to survive. Through the participation of these individuals, all children will be provided with the opportunity to take part in a wholesome activity.

Volunteer coaches contribute a great deal to the community, and beyond this, they gain personal benefits from their efforts. The benefits derived from being a volunteer coach come from knowing that you, as a volunteer, have provided a meaningful service to the children that live in our community. If you have any desire to become a volunteer coach for the Youth Sports program, please contact the Youth Sports office at: (310) 781-7517.

Parents may not interfere with coaches during the games. If you have a question or comment about the game, bring it up with the coach after the game is over. Volunteer coaches set their own practice time schedule. So you may have to adjust your child's schedule around the practice time. Once a child is placed on a team there is no switching teams. No exceptions.

Game Sites

Flag Football

Wilson Park Fields

2200 Crenshaw Blvd.

Basketball

Dee Hardison Sports Center at Wilson Park

2200 Crenshaw Blvd.

North high school

Program Supervisor and Staff

At each site, there will be a site supervisor that is in charge of that facility. Any help that you need or any problem that may occur, should be discussed with the site supervisor at your facility or the program Supervisor. They are always willing to assist you, in any way possible, in an attempt to make your season a good one.

Players on the Team

Thoughts to remember:

1. Remember that all players on your team are individuals and possess certain characteristics in common with other children, though they are each different in many ways.
2. Too much emphasis by parents on perfection, may lead to loss of interest in sports.
3. Scolding, sarcasm, nagging and taking away privileges for not playing well won't help them play better, it will only make them want to quit. Humiliating children in front of others is especially harmful and is inadvisable at every level.
4. All players, despite their level of skill, will play in every game. Remember to let the COACH coach.
5. Shouting criticisms at a child, will only embarrass that child in the eyes of his/her teammates.
6. Remember winning **ISN'T** everything. Having fun **IS** everything. So have fun watching your child have fun.

Coaches Coach. Kids Play. Parents Cheer.

Relationship with Game Officials

The Recreation Division has made every effort to secure and train the best officials available. These high school and college students go through an intensive training. Even with this training of officials, mistakes will be made. As with anyone in any profession or occupation, officials are fallible. Displays of poor sportsmanship toward the coach or the game officials by the spectators will not be tolerated. Parents who are disrespectful to the officials, coaches, players or other parents may be asked to leave the gym. If this type of behavior continues the parent may be suspended or expelled from the program. It is important to remember that officials are **not** enemies of the team. They are responsible for proper administration of the game and safety of the players.

Remember: Coaches Coach. Kids Play. Parents Cheer.

Good sportsmanship is you cheering your hearts out and enjoying your children playing the game. Winning is not everything - the children are everything.

Points to Remember During a Game:

1. Officials must be treated with respect. Treat officials, as you would wish to be treated. Your children take their cue from you and will follow your lead, so lead them in the way of sportsmanship.
2. A decision based on an official's judgment should **NOT** be questioned. Let your coach handle this. It's his/her job and up to him/her to decide what calls he/she feels needs clarification; he/she knows the proper time to ask. Remember you are not in the same position as the official on the court and your eye line and his/hers are different. He/she has the better view.
3. Parents should never go on the court at anytime during a game. In case of injury, wait until the coach calls you down. If a parent goes onto the court during the game, the game will be stopped and the parent will be ejected from the gym and not allowed back for the next game. If the parent refuses to leave, the game will be called and there will be no make-up game scheduled.
4. Players are not allowed to question the official's decision.

NOTE: Any parent ejected twice during the same sport season will not be allowed to come to the games for the rest of the season, and will have to petition the Recreation Division to return the following season.

Adding and Dropping Players

It is not up to the coach when it comes to adding and dropping a player. A player can only be pulled from the league by a parent or the program Supervisor. Only the program Supervisor can add players to a team.

General Playing Rules

1. All players must be listed on the "Official Team Roster".
2. Players can only play for the team where they are assigned.
3. Teams are formed by grade and school. After being assigned to a team, players may not be switched to another team for any reason (no exceptions). If a player quits and receives a refund or credit he/she may not sign up again during that current sports season.
4. Uniforms will be passed out by the coach during practice. Players are responsible for their uniform. Players will not be allowed to play without his/her "official" uniform.

Practice Scheduling

- Practices are scheduled by the volunteer coach.
- If your schedule conflicts with the coaches practice schedule, you should talk with the coach. However, he will need to set up his practice to meet his schedule. There are no team switches, so you may need to re-adjust your child's schedule to fit with that of the volunteer coach.

Participation medal

Every Child that participates will receive an medal.

Game Schedules

Game schedules will be available on the Youth Sports web page at:
