
License to Carry a Firearm

207.1 PURPOSE AND SCOPE

The Chief of Police is given the statutory discretion to issue a license to carry a firearm to residents within the community (Penal Code § 26150; Penal Code § 26155). This policy will provide a written process for the application and issuance of such licenses. Pursuant to Penal Code § 26160, this policy shall be made accessible to the public.

207.1.1 APPLICATION OF POLICY

Nothing in this policy shall preclude the Chief or other head of a municipal police department from entering into an agreement with the Sheriff of the county or preclude the Sheriff of the county from entering into an agreement with the Chief of any municipal police department to process all applications and license renewals for the carrying of concealed weapons (Penal Code § 26150; Penal Code § 26155).

207.2 POLICY

The Torrance Police Department will fairly and impartially consider all applications to carry firearms in accordance with applicable law and this policy.

207.3 QUALIFIED APPLICANTS

Each application shall be assigned an incident number and forwarded to the Special Investigations Division Commander who shall cause an investigation of the applicant. In order to qualify for a license to carry a firearm, the applicant must meet certain requirements, including:

- (e) Be of good moral character (Penal Code § 26150; Penal Code § 26155).
- (f) Show good cause for the issuance of the license (Penal Code § 26150; Penal Code § 26155).

- (j) Complete required training (Penal Code § 26165).

207.4 APPLICATION PROCESS

- (a) Any individual applying for a license to carry a firearm shall first fully complete a California Department of Justice (DOJ) application to be signed under penalty of perjury. Any applicant who provides false information or statements on the application will be removed from further consideration and may be prosecuted for a criminal offense (Penal Code § 26180).
 - 1. If an incomplete application package is received, the Special Investigations Division Commander or authorized designee may do any of the following:
 - (a) Require the applicant to complete the package before any further processing.
 - (b) Advance the incomplete package for conditional processing pending completion of all mandatory conditions.
 - (c) Issue a denial if the materials submitted at the time demonstrate that the applicant would not qualify for a license to carry a firearm even if the package was completed (e.g., not a resident, disqualifying criminal conviction, absence of good cause).
- (b) At the time the completed application is submitted, the applicant shall make a nonrefundable partial payment of \$20 (cash or check) to the City of Torrance to cover the cost of processing the application (Penal Code § 26190). Application fees shall be collected by the Records Division and the completed application forwarded to the Special Investigations Division.
 - 1. The remaining balance of the application fee of \$80 will be required at the time of the scheduled interview with the investigator (Special Investigations Division).
 - 2. Additional fees may be required for fingerprinting, training or psychological testing, in addition to the application fee.
 - 3. Payment of related fees may be waived if the applicant is a duly appointed reserve peace officer as defined in Penal Code § 830.6 (a) or (b) (Penal Code § 26170).
- (c) The applicant shall be required to submit to fingerprinting and a complete criminal background check by the California DOJ. A second set of fingerprints may be required for retention in department files. No person determined to fall within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100 or Welfare and Institutions Code § 8103 will be issued a license to carry a firearm. A license shall not be issued if the California DOJ determines that the applicant is prohibited by state or federal law from possessing, receiving, owning or purchasing a firearm (Penal Code § 26195).

- (d) The applicant shall submit proof of ownership or registration of each firearm to be licensed.

Once the Special Investigations Division Commander has reviewed the completed application package and relevant background information, he/she shall forward their completed investigation to the Special Operations Bureau Commander for review. If there is no legal reason for disqualification, the applicant shall be photographed.

207.4.1 CHIEF'S REVIEW

- (a) Upon receipt of the DOJ's response, the Special Investigations Division Commander's completed investigation and the Special Operations Bureau Commander's completed review, the Chief of Police shall conduct a final review of the application. During this review, there will be further consideration of the applicant's statement of good cause and any potential restrictions or conditions that might be placed on the license.
 1. The determination of good cause should consider the totality of circumstances in each individual case.
 2. Any denial for lack of good cause should be rational, articulable and not arbitrary in nature.
 3. The Department will provide written notice to the applicant as to the determination of good cause (Penal Code § 26202). Good cause exists where there is convincing evidence of a clear and present danger to life, or of great bodily harm to the applicant, his/her spouse, or dependent child, which cannot be adequately dealt with by existing law enforcement resources, and which danger cannot be reasonably avoided by alternative measures, and which danger would be significantly mitigated by the applicant's carrying of a concealed firearm.
- (b) The Chief of Police requires psychological testing for all new applicants and on all renewals where there is compelling evidence of its necessity. The Special Investigations Division Commander shall refer the applicant to the Department psychologist to schedule his/her own psychological testing only after determining that the applicant has successfully met 207.3 (a) – (i). The cost of psychological testing shall be paid by the applicant at a cost not to exceed \$150 (PC 26190(f)). The purpose of any such psychological testing is intended only to identify any outward indications or history of psychological problems that might render the applicant unfit to carry a firearm. This testing is not intended to certify in any other respect that the applicant is psychologically fit. If it is determined that the applicant is not a suitable candidate for carrying a firearm, the applicant shall be removed from further consideration (Penal Code § 26190).
- (c) The applicant shall complete a course of training approved by the agency, which complies with Penal Code § 26165. The applicant will not be required to complete and pay for any training courses prior to any determination of good cause (Penal Code § 26165; Penal Code § 26202).
- (d) The applicant shall successfully complete a firearms safety and proficiency examination with the firearm to be licensed including completion of all releases and

other forms. The cost of inspection/examination shall be the responsibility of the applicant.

Whether an application is approved or denied at the conclusion of the Chief's review, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later. The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer's specifications or that is unsafe (Penal Code § 31910). If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205). There is no appeal of the final decision. Within 15 days from notification of denial, the applicant may request a meeting to discuss the denial with the Special Investigations Division Commander or a designee appointed by the Chief of Police.

207.5 LIMITED BUSINESS LICENSE TO CARRY A CONCEALED FIREARM

The authority to issue a limited business license to carry a concealed firearm to a non-resident applicant is granted only to the Sheriff of the county in which the applicant works. A chief of a municipal police department may not issue limited licenses (Penal Code § 26150). Therefore, such applicants may be referred to the Sheriff for processing.

An individual who is not a resident of the county but who otherwise successfully completes the application process may apply for and be issued a limited license subject to approval by the Sheriff and subject to the following:

- (a) The applicant physically spends a substantial period of working hours in the applicant's principal place of employment or business within the City of Torrance (Penal Code § 26150).
- (b) Such a license will be valid for a period not to exceed 90 days from the date of issuance (Penal Code § 26220).
- (c) The applicant shall provide a copy of the license to the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).
- (d) Any application for renewal or reissuance of such a license may be granted only upon concurrence of the original issuing authority and the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

207.6 ISSUED FIREARMS PERMITS

In the event a license to carry a firearm is issued by the Chief of Police, the following shall apply:

- (a) The license will be subject to any and all reasonable restrictions or conditions the Chief of Police has deemed warranted, including restrictions as to the time, place, manner and circumstances under which the person may carry the firearm.
 - 1. All such restrictions or conditions shall be conspicuously noted on any license issued (Penal Code § 26200).

 1. Each license shall be numbered and clearly identify the licensee.
 2. All licenses shall be subject to inspection by the Chief of Police or any law enforcement officer.
- (c) The license will be valid for a period not to exceed two years from the date of issuance (Penal Code § 26220).

 2. A license issued to any reserve peace officer as defined in Penal Code § 830.6(a) or (b), or a custodial officer employed by the Sheriff as provided in Penal Code § 831.5 will be valid for a period not to exceed four years, except that such license shall be invalid upon the individual's conclusion of service as a reserve officer.
- (d) If the licensee's place of residence was the basis for issuance of a license and the licensee moves out of the county of issuance, the license shall expire 90 days after the licensee has moved (Penal Code § 26210).
- (e) The licensee shall notify this department in writing within 10 days of any change of place of residency.

207.6.1 LICENSE RESTRICTIONS

- (a) The Chief of Police may place special restrictions limiting time, place, manner and circumstances under which any license shall be valid. In general, these restrictions will prohibit the licensee from:
 1. Consuming any alcoholic beverage while armed.
 2. Falsely representing him/herself as a peace officer.
 3. Unjustified or unreasonable displaying of a firearm.
 4. Committing any crime.
 5. Being under the influence of any medication or drug while armed.
 6. Interfering with any law enforcement officer's duties.
 7. Refusing to display his/her license or firearm for inspection upon demand of any peace officer.

- (b) The Chief of Police reserves the right to inspect any license or licensed firearm at any time.
- (c) The alteration of any previously approved firearm including, but not limited to adjusting the trigger pull, adding laser sights or modifications shall void any license and serve as grounds for revocation.

207.6.2 AMENDMENTS TO LICENSES

Any licensee may apply to amend a license at any time during the period of validity by completing and submitting a written Application for License Amendment along with the current processing fee to the Department in order to (Penal Code § 26215):

- (a) Add or delete authority to carry a firearm listed on the license.
- (b) Change restrictions or conditions previously placed on the license.
- (c) Change the address or other personal information of the licensee (Penal Code § 26210).

In the event that any amendment to a valid license is approved by the Chief of Police, a new license will be issued reflecting the amendment. An amendment to any license will not serve to extend the original expiration date and an application for an amendment will not constitute an application for renewal of the license.

207.6.3 REVOCATION OF LICENSES

Any license issued pursuant to this policy may be immediately revoked by the Chief of Police for any of the following reasons:

- (a) The licensee has violated any of the restrictions or conditions placed upon the license.
- (b) The licensee becomes psychologically unsuitable to carry a firearm.
- (c) The licensee is determined to be within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100, Welfare and Institutions Code § 8103 or any state or federal law.
- (d) The licensee engages in any conduct which involves a lack of good moral character or that might otherwise remove the good cause for the original issuance of the license.
- (e) If the license is one to carry "loaded and exposed," the license shall be revoked immediately upon a change of the licensee's place of residence to another county (Penal Code § 26210).

The issuance of a license by the Chief of Police shall not entitle the holder to either a property or liberty interest as the issuance, amendment or revocation of such license remains exclusively within the discretion of the Chief of Police as set forth herein.

If any license is revoked, the Department will immediately notify the licensee in writing and the California DOJ (Penal Code § 26225).
